BASIS OF ALLOTMENT

Basis of Allotment for NCDs [●]

The Registrar will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchange and determine the valid Application for the purpose of drawing the basis of allocation.

Allocation Ratio

The Registrar will aggregate the Applications based on the Applications received through an electronic book from the Stock Exchange and determine the valid applications for the purpose of drawing the basis of allocation. Grouping of the application received will be then done in the following manner:

Grouping of Applications and Allocation Ratio:

Applications received from various applicants shall be grouped together on the following basis:

- (a) *Applications received from Category I applicants:* Applications received from Category I, shall be grouped together, (“**Institutional Investor Portion**”);
- (b) *Applications received from Category II applicants:* Applications received from Category II, shall be grouped together, (“**Non-Institutional Investor Portion**”);
- (c) *Applications received from Category III applicants:* Applications received from Category III, shall be grouped together, (“**HNI Investor Portion**”);
- (d) *Applications received from Category IV applicants:* Applications received from Category IV, shall be grouped together, (“**Retail Individual Investor Portion**”).

For removal of doubt, “**Institutional Investor Portion**”, “**Non-Institutional Investor Portion**”, “**HNI Investor Portion**” and “**Retail Individual Investor Portion**” are individually referred to as “**Portion**” and collectively referred to as “**Portions**”.

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be Allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Issue up to ₹ 7,500 lakhs over and above the Base Issue Size of ₹ 7,500 lakh.

The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case our Company opts to retain any oversubscription in the Issue), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the “**Overall Issue Size**”.

Basis of Allotment for NCDs

Allotments in the first instance:

1. Applicants belonging to the Category I, in the first instance, will be allocated NCDs up to 5% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Lead Manager and their respective affiliates/SCSB (Designated Branch or on-line acknowledgement);
2. Applicants belonging to the Category II, in the first instance, will be allocated NCDs up to 15% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or on-line acknowledgement);
3. Applicants belonging to the Category III in the first instance, will be allocated NCDs up to 40% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or on-line acknowledgement);
4. Applicants belonging to the Category IV in the first instance, will be allocated NCDs up to 40% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or on-line acknowledgement);

Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e., on a first-come first-serve basis, based on the date of upload of each Application into the electronic book with Stock Exchange, in each Portion subject to the Allocation Ratio. However, on the date of over-subscription, the Allotments would be made to the Applicants on proportionate basis.

(a) Under Subscription:

Under subscription, if any, in any Portion, priority in Allotments will be given in the following order:

- i. Individual Portion
- ii. Non-Institutional Portion and Resident Indian individuals and Hindu undivided families through the Karta applying who apply for NCDs aggregating a value exceeding ₹ 5 lakhs;
- iii. Institutional Portion on a first come first serve basis.

Within each Portion, priority in Allotments will be given on a first-come-first-serve basis, based on the date of upload of each Application into the electronic system of the Stock Exchange. For each Portion, all Applications uploaded into the electronic book with the Stock Exchange would be treated on par with each other. Allotment would be on proportionate basis, where Applications uploaded into the Platform of the Stock Exchange on a particular date exceeds NCDs to be allotted for each Portion, respectively. Minimum allotment of 10 NCDs and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application.

(b) Allotments in case of oversubscription:

In case of an over-subscription, Allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full Allotment of NCDs to the valid Applicants on a first-come first-serve basis for forms uploaded up to 5 p.m. of the date falling 1 (one) day prior to the date of over-subscription and proportionate allotment of NCDs to the valid Applicants on the date of oversubscription (based on the date of upload of the Application on the Stock Exchange Platform, in each Portion). In case of over subscription on date of opening of the Issue, the Allotment shall be made on a proportionate basis. Applications received for the NCDs after the date of over subscription will not be considered for Allotment.

In view of this, the Investors are advised to refer to the Stock Exchange website at www.bseindia.com for details in respect of subscription.

(c) Proportionate Allotments: For each Portion, on the date of oversubscription:

- i. Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer;
- ii. If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue Size, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference;
- iii. In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the Basis of Allotment is finalized by draw of lots in a fair and equitable manner; and
- iv. The total Allotment under Option I to Option VII of the NCDs shall not exceed a value more than ₹ 15,000 lakh (assuming retention of 100% of over-subscription amount)

(d) Applicant applying for more than one Options of NCDs:

If an Applicant has applied for more than one Options of NCDs and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for due to such Applications received on the date of over-subscription,

ABRIDGED PROSPECTUS

the option-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each option, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with Lead Manager and Designated Stock Exchange. In cases of odd proportion for Allotment made, our Company in consultation with the Lead Manager will allot the residual NCD(s) in the following order:

- i. first with monthly interest payment in decreasing order of tenor i.e., Options V, III and I;
- ii. followed by payment on cumulative options in decreasing order of tenor i.e., Options VII, VI, IV and II;

Hence using the above procedure, the order of Allotment for the residual NCD(s) will be: Options V, III, I, VII, VI, IV and II.;

Our Company shall allot Option III NCDs to all valid applications, wherein the Applicants have not indicated their choice of the relevant options of the NCDs.

Valid applications where the Application Amount received does not tally with or is less than the amount equivalent to value of number of NCDs applied for, may be considered for Allotment, to the extent of the Application Amount paid rounded down to the nearest ₹ 1,000 in accordance with the pecking order mentioned above.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Issue shall be taken by our Company in consultation with the Lead Manager and the Designated Stock Exchange and in compliance with the above provisions of this Prospectus.
